PREFACE

The History of Services of officers holding gazetted appointments in the Government of India (except of those working in departments where a system of separated audit and accounts is in force) is compiled by the A.G.C.R. in two parts, *viz.* Part I comprising of the History of Services of officers under the administrative control of the Ministries of Finance and Commerce & Industry and Part II containing the History of Services of officers belonging to other Ministries and Departments of the Government of India.

2. An exception has, however, been made in the case of officers of the Central Secretariat Service in whose case the record of service of all the officers of the Service (irrespective of the Ministries to which they are attached and including those who are working in the departments in which the system of separated audit and account is in force) has been incorporated as a separate chapter in Part II. In addition, a suitable brief reference is given (in Parts I & II) under the Ministry in which the officer was working on 1-7-56.

3. Part I of the compilation is in one volume and Part II is in two volumes. They contain the record of service of only those officers, who were either on duty or on leave on 1st July, 1956. The names of officers have been grouped in two sections under each department. Section I contains a complete History of those officers who were appointed to gazetted posts after 1-7-47. Section II contains the record of service for the period from 2-7-47 to 1-7-56 in respect of those officers whose names were already included in the 1947 edition. Thus the present compilations have to be read with the 1947 editions to obtain a full history in respect of officers of the latter category. For facility of reference, the page numbers of the 1947 edition have been printed in brackets against each name in Section II.

4. With the issue of these compilations the Supplements to the 1947 edition corrected up to 1-7-51 published by the A.G.C.R. in 1956 stand superseded.

5. Any errors or omissions may be brought to the notice of the A.G.C.R. for rectification in the next edition.
